Note From the Pastor:

Every generous act of giving, with every perfect gift, is from above, coming down from the Father of lights, with whom there is no variation or shadow due to change. – James 1:17

By the time you receive this we will have already kicked off the holiday season with Halloween, with Thanksgiving and Christmas close behind! During this time, we are called to lots of gift giving in one form or another; we give people candy, share our food with one another, and give literal gifts to one another as Christmas rolls around. As we enter this season of gift giving we will explore the gifts that God gives us and the gifts that we give to each other as the church. In our UMC membership vows we are called "to faithfully participate in the life and ministries of our local congregation through our prayers, presence, gifts, service and witness." These 5 areas encompass much of our individual and shared lives, and we will explore how we may enter into each of these over the month of November before heading into Advent. As we enter this season, one in which the holidays seem to make our fellowship all the richer and warmer, I invite us to consider how we may dedicate ourselves to these 5 areas. How may we strengthen ourselves in prayer? How may we show up for one another? How might we begin or strengthen a habit of tithing? How might we serve the community? How may we share our witness with others? As we explore these questions, may we remember why it is that we ask these questions. We give because God has given to us. We love because God has first loved us. We cherish this creation because God made it and called it very good. God has always and everywhere surrounded us in love, and we are invited to enter into that life of love and share it with others. May we all do so in our prayers, presence, gifts, service, and witness!
